Charges start on the day of arrival, regardless what time. We would like all pets in by 1:00pm, if at all possible.

Pets are not charged for the date going home if picked up before 11:00am. After 11:00am, you are charged for that day. But please no later than 4:30pm.

We have a two-day minimum, but you can stay one night. Sunday pick-up and drop-off is between 8:30 – 9:30am only.

All pets arriving with fleas, ticks, nails that need clipping, are dirty or matted will be cleaned before entering the kennel at the owners' expense.

We will be happy to accommodate any of your pets needs while boarding, just ask.
